ONE-OFF SAILING YACHT

BROKER'S COMMENTS

Bill Dixon designed "Lilli" is created by the finest craftsmen of the Danish boatyard Walsteds. Her very solid construction is built in strong planking poly-epoxy, meaning a well sound-and-temperature isolated "bullet proof" strong hull with a guarantee for maintenance free sailing adventures. Excellent state of maintenance; many renewals last years with e.g. Lithium Ion4. Inside her beautiful most solid teak wood interior, she is immaculate, comfort for 6 to 10 and lots of storage space and equipment for a long stay on board. An absolute ready to go beauty for a couple or family
