# BRANDARIS BARKAS 900 HYBRID

## BROKER'S COMMENTS

This Brandaris Barkas 900 Hybrid is the modern interpretation of a classic beauty. The custom made state of the art helms position accentuates this. All the instruments are intergrated in the Raymarine touchscreen display. The hybrid solution makes it possible to both fast, but also silent, with zero emissions. You're more than welcome to visit this Brandaris in our covered sales marina.
