# WAJER OSPREY 37

## BROKER'S COMMENTS

This yacht, the Wajer Osprey 37, was designed by Vripack Design. She belonged to Wajer Yachts itself for the first year and was sold to the current owner in 2006. He always kept the yacht in its own beautiful covered berth, where it still lies today. This yachy has always been maintained and serviced by Wajer Yachts and that is why she is still beautiful and super neat. Thanks to two powerful Volvo Penta IPS engines of 310 hp, this classic modern yacht has great speed and excellent maneuverability, you can even sail sideways with it. Can be visited by appointment.
