SPITS 38 M LIVEBOARD VESSEL

BROKER'S COMMENTS

VIOS is a partially converted inland freighter of the 'Spits' type, that can become a comfortable floating house with a floor area of appr. 130m². She offers a 40m² living room, a 30m² galley and dining area and two small cabins. The forward part of the ship (60m²) still needs to be finished. She will be sold with a fully working propulsion system and a valid CVO. The owner can also deliver the boat anywhere in Europe at additional cost.
