## BROKER'S COMMENTS

The Mogano Special, this diamond of Dutch craftsmanship has undergone a complete refit at the Mogano yard in 2023, with no detail overlooked. The Mogano has undergone a total transformation, from moving the steering position to all new items such as the paintwork, cable fender and cushions, this creates a comfortable and luxurious ambiance on board. What really sets this yacht apart are the 2 powerful engines and the bow / stern thruster with this you maneuver effortlessly through the water. She has a heater and a generator for longer stays on board.
