## BROKER'S COMMENTS

This Frauscher 1017 Lido is a special edition in collaboration with the famous designer Thomas Rath with a series of "extras". The designer used Taupe tones, darker cushions fashioned with a diamond tip pattern. There is a mahogany steering wheel and inserts of the same wood or a few pieces of leather covering the handrails. On the back of the leaning post, the kitchen becomes a "champagne bar" with glasses specially designed for the occasion and in addition two pretty picnic baskets. Only seven units were built. Two V8 engines developing a total of 700 hp deliver a performance at 50 knots.
